## REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Directors and Equity Owner of Hubble Investments, LLC:

### Opinion on the Financial Statements

We have audited the accompanying statement of financial condition of Hubble Investments, LLC (the "Company") as of June 30, 2019, the related statements of operations, changes in member's equity and cash flows for the period April 12, 2018 through June 30, 2019, and the related notes (collectively referred to as the "financial statements"). In our opinion, the financial statements present fairly, in all material respects, the financial position of the Company as of June 30, 2019, and the results of its operations and its cash flows for the period April 12, 2018 through June 30, 2019, in conformity with accounting principles generally accepted in the United States.

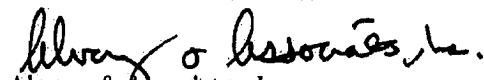

### Basis for Opinion

These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statements based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) ("PCAOB") and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

### Supplemental Information

The information contained in Schedules I, II and III ("Supplemental Information") has been subjected to audit procedures performed in conjunction with the audit of the Company's financial statements. The Supplemental Information is the responsibility of the Company's management. Our audit procedures included determining whether the Supplemental Information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the Supplemental Information. In forming our opinion on the Supplemental Information, we evaluated whether the Supplemental Information, including its form and content is presented in conformity with 17 C.F.R. § 240.17a-5. In our opinion, Schedules I, II and III are fairly stated, in all material respects, in relation to the financial statements taken as a whole.

### **Notes to Financial Statements For the Period April 12, 2018 through June 30, 2019**

#### **1. Organization and Nature of Business**

Hubble Investments, LLC (the "Company") was organized in the State of Delaware on May 30, 2017, and is a registered broker-dealer with the Securities and Exchange Commission (SEC). It has been a member of the Financial Industry Regulatory Authority ("FINRA"), and the Securities Investor Protection Corporation ("SIPC") since April 12, 2018. The Company is a single member limited liability company whose sole member is Hubble Holdings, LLC (the "Member").

The Company provides institutional customers with private placement and investment banking consulting services and is generally compensated at the closing of such transactions in the form of a success fee.

#### **2. Summary of Significant Accounting Policies**

##### **a) Basis of Accounting**

The financial statements are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. Revenue is recognized when earned, while expenses and losses are recognized when incurred.

##### **b) Cash**

The Company's cash is held principally at one financial institution and at times may exceed federally insured limits. The Company has placed these funds in a high quality institution in order to minimize risk relating to exceeding insured limits.

##### **c) Revenue Recognition**

Investment banking fees consist of private placement fees and consulting revenues. Private placement revenues are recognized at the time the deal is closed. Consulting revenues are recorded in the period in which they are earned. Consulting revenues may be billed a few months at a time, therefore any unearned portion of the revenues are recorded as deferred revenues on the Statement of Financial Condition.

##### **d) Income Taxes**

As an LLC, the Company is treated as a disregarded entity for federal and state tax purposes. Any income tax liability is reported on the tax return of the parent entity and passed along to the individual Member. The Company is subject to the California State LLC tax, which is based upon gross receipts as well as a minimum franchise tax. This tax expense is included in Office and Other expense on the Statement of Operations, amounting to \$800 for the period ended June 30, 2019.

The Company is required to file income tax returns in both state and city tax jurisdictions. These tax returns are subject to examination by taxing authorities in the jurisdictions in which it operates in accordance with the normal statutes of limitations in the applicable jurisdiction. The statute of limitations for state purposes is generally three years, but may exceed this limitation depending upon the jurisdiction involved. Returns that were filed within the applicable statute remain subject to examination. As of June 30, 2019, state and city taxing authorities have not proposed any adjustment to the Company's tax position.

Notes to Financial Statements  
For the Period April 12, 2018 through June 30, 2019

**2. Summary of Significant Accounting Policies (continued)**

**e) Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires Management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities as of the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

**3. Commitments and Contingencies**

The Company had no commitments, no contingent liabilities and had not been named as a defendant in any lawsuit at June 30, 2019 or during the period then ended.

**4. Income Taxes**

As discussed in Note 2, the Company, with the consent of its Member, has elected to be a California Limited Liability Company. For tax purposes the Company is a disregarded entity, therefore in lieu of business income taxes, the Member is taxed on the Company's taxable income. Therefore, no provision of liability for income taxes is included in these financial statements.

The Company had foreign taxes withheld of \$20,000, for transactions that occurred during the period ended June 30, 2019.

The accounting principles generally accepted in the United States of America provides accounting and disclosure guidance about positions taken by an organization in its tax returns that might be uncertain. Management has considered its tax positions and believes that all of the positions taken by the Company in its returns are more likely than not to be sustained upon examination. The Company is subject to examinations by U.S. Federal and State tax authorities, generally for three years after they are filed.

**5. Recently Issued Accounting Pronouncements**

The Financial Accounting Standards Board (the "FASB") has established the Accounting Standards Codification ("Codification" or "ASC") as the authoritative source of generally accepted accounting principles ("GAAP") recognized by the FASB. The principles embodied in the Codification are to be applied by nongovernmental entities in the preparation of financial statements in accordance with GAAP in the United States. New accounting pronouncements are incorporated into the ASC through the issuance of Accounting Standards Updates ("ASUs").

For the year ending June 30, 2019, various ASUs issued by the FASB were either newly issued or had effective implementation dates that would require their provisions to be reflected in the financial statements for the year then ended. The Company has either evaluated or is currently evaluating the implications, if any, of each of these pronouncements and the possible impact they may have on the Company's financial statements. In most cases, management has determined that the pronouncement has either limited or no application to the Company and, in all cases, implementation would not have a material impact on the financial statements taken as a whole.

Notes 10 and 11 will provide greater detail of ASC 606 and ASU 842.

### Notes to Financial Statements For the Period April 12, 2018 through June 30, 2019

#### 6. Guarantees

FASB ASC 460, Guarantees, requires the Company to disclose information about its obligations under certain guarantee arrangements. FASB ASC 460 defines guarantees as contracts and indemnification agreements that contingently require a guarantor to make payments to the guaranteed party based on changes in an underlying factor (such as an interest or foreign exchange rate, security or commodity price, an index or the occurrence or nonoccurrence of a specified event) related to an asset, liability or equity security of a guaranteed party. This guidance also defines guarantees as contracts that contingently require the guarantor to make payments to the guaranteed party based on another entity's failure to perform under an agreement as well as indirect guarantees of indebtedness of others.

The Company has issued no guarantees at June 30, 2019 or during the period then ended.

#### 7. Related Parties

The Company does not have an expense sharing agreement with any affiliates and generally incurs all costs of operations directly. As of June 30, 2019, there was no intercompany balance between the Company and any affiliated entities.

The parent of the Company's Member provides a web based service that matches investors to science and technology startups. The Company serves as the placement agent for these transactions, and all of the Company's placement fees (\$288,861) were earned from this relationship. The Company is compensated by the startups at the closing of each placement.

The Company has an affiliated fund, that is managed by the sister company of its parent. This fund participated in many of the private placements as an investor.

## **Hubble Investments, LLC**

---

### **Notes to Financial Statements For the Period April 12, 2018 through June 30, 2019**

#### **8. Net Capital Requirement**

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 1500%. At June 30, 2019, the Company had net capital of \$54,921 which was \$49,921 in excess of its required net capital of \$5,000. The Company's aggregate indebtedness to net capital percentage was 48.48%.

#### **9. Subsequent Events**

The Company has evaluated events subsequent to the statement of financial condition date for items requiring recording or disclosure in the financial statements. The evaluation was performed through the date the financial statements were available to be issued. Based upon this review, the Company has determined that there were no events which took place that would have a material impact on its financial statements.

#### **10. ASC 606 - Revenue Recognition**

The Company has adopted ASC Topic 606, Revenue from Contracts with Customers ("ASC Topic 606"). The new revenue recognition guidance requires that an entity recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The guidance requires an entity to follow a five step model to (a) identify the contract(s) with a customer, (b) identify the performance obligations in the contract, (c) determine the transaction price, (d) allocate the transaction price to the performance obligations in the contract, and (e) recognize revenue when (or as) the entity satisfies a performance obligation. In determining the transaction price, an entity may include variable consideration only to the extent that it is probable that a significant reversal in the amount of cumulative revenue recognized would not occur when the uncertainty associated with the variable consideration is resolved.

#### **11. AU 842 - Lease Accounting**

The FASB's standard ASC Topic 842 Leases is effective for the Company beginning with its year ending June 30, 2020. The Company does not maintain any leases in excess of a one year term, which is the new standard's trigger criterion. As a result, the Company has determined that ASC Topic 842 will not have a material impact on its financial statements.

#### **12. Commitments and Contingencies**

As a registered broker dealer with FINRA, the Company is required to maintain fidelity bond insurance. The Company did not have a fidelity bond for a portion of the period under audit.

The Company was a victim of identity theft, whereby a fake website represented itself to be the Company and offered guaranteed returns on investments. This website, Hubble Investments.com, is not affiliated with the Company in any way. The Company does not guarantee any returns on investments and has reported the fraudulent website to FINRA and the authorities.

These financial statements contain no adjustments for any amounts that may result from the above mentioned items.
